### CALL TO ARTISTS: Green Valley Road Multi-Use Pathway

The County of Santa Cruz is seeking an artist to create a site-specific public art component for the Green Valley Rd. Multi-use Pathway.

This project will replace a dilapidated pedestrian trail with a pervious, two-way, multi-use trail to provide a safe, accessible connection between the City of Watsonville and the unincorporated areas of Santa Cruz County to nearby schools, parks, social services, and numerous transit stops.

The budget for the public artwork, which includes all costs associated with but not limited to design, materials, travel, insurance, fabrication, installation, and documentation of the artwork, is \$72,000.

A "Call to Artists," which includes detailed information about the RFP process, project map, sample contract, and corridor map showing potential public project locations are available on the County Parks website:

<https://www.scparks.com/Home/AboutUs/WorkWithUs/CalltoArtists.aspx>.

The deadline for submitting a proposal is January 20, 2023.
