LIMITED IN-PERSON COUNTY SERVICES RESUME

The County of Santa Cruz is pleased to announce that limited in-person public services are resuming, effective immediately.

While visiting County offices, residents will be asked to wear face coverings and maintain physical distancing, and should stay home if they have been sick or have a fever. Medical screening may occur at some buildings.

Residents should also expect limits on the number of persons in lobbies, protective screens at public counters, additional signage, and other measures to protect the health and safety of residents and staff.

Department counter hours may vary, and all walk-in services have not resumed. Check individual department websites for hours and updates at www.santacruzcounty.us.
