2018-19 ACTIVITY GUIDE NOW AVAILABLE

Are you interested in programs, summer camps and classes in addition to beautiful beaches, open spaces and playgrounds?

The Santa Cruz County Department of Parks, Open Space and Cultural Services' annual Activity Guide is now available, providing residents with access to learn, play and see the world. The new 2018-19 Guide is currently being mailed to people living in the unincorporated area, and is available for everyone online at <http://www.scparks.com>.

This year's guide includes programs on pickling, meditation, stargazing, gardening and many others. Children's summer camps include art and science camps, reading camp, backpacking camp, the return of Zombie Camp and more. Among this year's senior offerings are exercise courses, an Oakland A's/San Francisco Giants Bay Bridge battle and a Hornblower Champagne Brunch Cruise from the Ferry Building in San Francisco.

Local activities are held throughout the County parks system. Registration is available online at <http://www.scparks.com>, or by phone, mail or in person. Please refer to your Activity Guide or go online for details.
