DEBRIS FLOW TOWN HALLS

The County of Santa Cruz welcomes residents living in and near the CZU Lightning Complex fires burn scar to join us for upcoming virtual town halls to discuss debris flows and related issues.

With the recent public safety evacuations for possible debris flows, residents will hear from state and local authorities and have the opportunity to ask questions, and be asked to fill out a survey regarding the recent evacuation event. Debris flow town halls are being hosted by Supervisor Bruce McPherson and Supervisor Ryan Coonerty.
