### **About Santa Cruz County Animal Shelter (SCCAS)**

The Santa Cruz County Animal Shelter is an open admission shelter which welcomes EVERY animal in need. Our goal is to be a humane resource for the community by providing a safety net and second chance for local animals. There are two locations where owners can find and recover lost pets, adopt new animal companions, or sign up for PLANNED PetHood, our low cost spay/neuter program available for all resident pets. Our success is achieved through a variety of life-saving services and programs which are described in detail on our website, [www.scanimalshelter.org](http://www.scanimalshelter.org). The support of our community is crucial to sustaining and expanding these services.
