CALL TO ARTISTS: RECOVERY CENTER

An artist will be selected to create a site-specific public art component for the Recovery Center in Santa Cruz, located at 265 Water Street.

Janus of Santa Cruz will operate and staff the center, providing a safe environment for non-violent intoxicated individuals to rest and recover until they are sober. Additionally, the Recovery Center will provide assistance and treatment options, as well as links to other services in the community such as case managers, health care physicians and more.

The budget for the public artwork, which includes all costs associated with but not limited to design, materials, travel, insurance, fabrication, installation, and documentation of the artwork, is \$6,300. A "Call to Artists" (which includes detailed information about the RFP process), images of installation location(s), and a sample contract are available on the County Parks website:

The deadline for submitting a proposal is March 1, 2024.
