

## New CVS Pharmacy® alert on the PayFlex Mobile® app Helping your employees make the most of their PayFlex funds

We're excited to announce that effective February 18, 2021, PayFlex **health savings account (HSA)** and standard **health care flexible spending account (FSA)** members will have the option to sign up for a new push notification through the PayFlex app. This notification displays on the member's mobile device and conveniently alerts them when they're nearby at a CVS Pharmacy® location. It reminds them that they can spend their funds on eligible items at CVS and use the Eligible Expense Scanner. It also encourages them to check their account balance.

### Here's how it'll work

- The first time a member logs in to their PayFlex app after February 18, they'll see a message telling them about the new notification. This is one-time message that directs them to the account notifications screen.
- From the notifications screen, members can select **Nearby CVS Pharmacy®** and turn on the push notification.
- Then, the next time they're within 100 meters (around 328 feet) of a CVS, they'll see this message on their mobile device:

***You're near a CVS Pharmacy®***

*Running low on health care items? Your PayFlex dollars could be put to good use! Check your balance and try the Eligible Expense Scanner in the PayFlex Mobile® app.*

**Note:** The default setting for this notification is OFF. Members can turn it ON or OFF at any time.

## Questions?

Contact your PayFlex Account Manager.

PayFlex and CVS Pharmacy® are part of the CVS Health family of companies.
