DRISCOLL NAMED TO STATE POLICY COMMITTEE

California State Controller Betty Yee has appointed Santa Cruz County Auditor-Controller-Treasurer-Tax Collector Edith Driscoll to the Committee on County Tax Collecting Procedures.

The purpose of the 10-member Committee on County Tax Collecting Procedures is to assist the Controller in developing tax levying and collecting procedures to help instruct, advise and direct tax collectors in their duties. The Committee may also advise the State Controller's Office on policy development and tax matters.

"It an honor to be recognized and to help set policy for the rest of California when it comes to the duties of local finance officials throughout the state," Driscoll said.

As defined by state law, the Committee on County Tax Collecting Procedures is comprised of two county auditors; four county tax collectors; two county assessors; and two members of county boards of supervisors.
