This meeting is focused on the First Supervisorial District, though residents from across Santa Cruz County are welcome to join. Participants include the Fire Safe Council of Santa Cruz County, Firewise Communities and the Resource Conservation District of Santa Cruz County.

With the one-year anniversary of the CZU Lightning Fire Complex and fire activity throughout California exceeding 2020 levels, the discussion will focus on how you can be prepared for future fire events, including fire mitigation resources, community preparation efforts and other fire-related topics.
