NOTICE OF EXEMPTION

To: Clerk of the Board
701 Ocean Street, Room 500
Santa Cruz, CA 95060

Project Name: Recovery Center Modular Project
Project Location: 265 Water Street, City of Santa Cruz
Assessor Parcel No.: City of Santa Cruz 008-321-07
Project Applicant: Santa Cruz County Department of Community Development & Infrastructure
 Capital Projects

Project Description: The proposed project involves construction of a new 1750 square foot modular building to serve as a Recovery Center on the same parcel as the County Jail. The modular building will be fabricated off site and installed within an existing paved area on site. The project includes improvements to the existing parking lot to restripe and meet ADA requirements and minor trenching for connecting the new building to public utilities. The project will also remove a wood and concrete ADA ramp that was formerly added to a currently unoccupied historic house that occurs on the parcel adjacent to the new recovery center. The ADA ramp is not part of the historic era design elements of this house and removing the ramp will not negatively impact the building's existing form, integrity, or materials. This historic structure will be protected in place and specifications will be included in the project plans to ensure that impacts to this house will not occur during construction.
